Chrysler (FCA US, LLC)
1000 Chrysler Drive
Auburn Hills, MI 48326

Subject: Improperly Sealed Side Curtain Air Bags/FMVSS 226

Dear Karen Blaesser:

This letter serves to acknowledge Chrysler (FCA US, LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

CHRYSLER/PACIFICA/2022-2026
CHRYSLER/VOYAGER/2022-2026

Mfr's Report Date: March 26, 2026

NHTSA Campaign Number: 26V189

Components:

AIR BAGS:SIDE/WINDOW:CURTAIN

Potential Number of Units Affected: 178,246

Problem Description:

Chrysler (FCA US, LLC) is recalling certain 2022-2026 Pacifica and Voyager vehicles. The right and left side curtain air bags may have insufficient pressure retention from improperly sealed seams. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 226, "Ejection Mitigation."

Consequence:

Air bags with insufficient pressure retention increase the risk of ejection and injury during a crash.

Remedy:

Dealers will replace the side curtain air bags, as necessary, free of charge. Owner notification letters are expected to be mailed May 14, 2026. Owners may contact Chrysler customer service at 800-853-

1403. Chrysler's numbers for this recall are 06D, 10D, and 11D. Vehicle Identification Numbers (VINs) involved in this recall will be searchable on NHTSA.gov beginning April 2, 2026. This recall expands previous NHTSA recall numbers 25V302 and 25V573. Vehicles previously repaired under a prior recall will need to have the new remedy completed.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

Description of Defect/Noncompliance Not Supplied

Provide a description of the defect, including both a brief summary and a detailed description of the nature and physical location (if applicable) of the defect or noncompliance, as required by 49 CFR 573.6 (c)(5), in an amended Part 573 Recall Report through the NHTSA Recalls Portal.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Chrysler (FCA US, LLC)'s contact for this recall will be Emily Smith who may be reached by email at emily.c.smith@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
