Subject: Insufficient Illumination from Headlight Low Beam/FMVSS 108

Dear Nas Husen:

This letter serves to acknowledge Triumph Motorcycles America, Ltd.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

TRIUMPH/TRIDENT 800/2026

Mfr's Report Date: March 27, 2026

NHTSA Campaign Number: 26V195

Components:

EXTERIOR LIGHTING:HEADLIGHTS

EXTERIOR LIGHTING:LIGHTING CONTROL MODULE:SOFTWARE

Potential Number of Units Affected: 258

Problem Description:

Triumph Motorcycles America, Ltd. is recalling certain 2026 Trident 800 motorcycles. During pre-delivery inspection (PDI), the diagnostic tool may have loaded an incorrect headlight low beam configuration, causing the low beams to illuminate improperly. As such, these motorcycles do not comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

Insufficient illumination from the headlight low beam can reduce rider visibility, increasing the risk of a crash.

Remedy:

Dealers will update the diagnostic software, free of charge. Owner notification letters are expected to be mailed April 11, 2026. Owners may contact Triumph customer service at 1-678-854-2010. Triumph's number for this recall is SRAN 643. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on April 1, 2026.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Triumph Motorcycles America, Ltd.'s contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
