Subject: Park Outside: Generator May Turn On Unexpectedly

Dear Mick Friedt:

This letter serves to acknowledge REV Recreation Group's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FLEETWOOD/FORTIS/2026
HOLIDAY RAMBLER/VACATIONER/2026
HOLIDAY RAMBLER/ADMIRAL/2026
FLEETWOOD/FLAIR/2026
FLEETWOOD/BOUNDER/2026

Mfr's Report Date: April 23, 2026

NHTSA Campaign Number: 26V264

Components:

EQUIPMENT:ELECTRICAL:ACCESSORY GENERATOR
ELECTRICAL SYSTEM:WIRING
EQUIPMENT:RECREATIONAL VEHICLE/TRAILER:LPG SYSTEMS:FURNACE

Potential Number of Units Affected: 12

Problem Description:

REV Recreation Group (REV) is recalling certain 2026 Holiday Rambler Vacationer, Admiral, Fleetwood Flair, Fortis, and Bounder motorhomes. The furnace may create electrical signal that turns the generator on unexpectedly.

Consequence:

A generator that operates in an enclosed space, such as a garage, increases the risk of injury or death from carbon monoxide poisoning.

Remedy:

Owners are advised to park outside until the repair has been performed. Dealers will install a relay harness, free of charge. Owner notification letters are expected to be mailed June 19, 2026. Owners may contact REV customer service at 1-800-322-8216. REV's number for this recall is 260422REV.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

REV Recreation Group's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
