Mfr's Report Date: May 12, 2026

NHTSA Campaign Number: 26V302

VISIBILITY:REARVIEW MIRRORS/DEVICES:EXTERIOR

Potential Number of Units Affected: 285

Problem Description:

Piaggio Group Americas, Inc. (PGA) is recalling certain 2026 Vespa GTV 310, Vespa Primavera 150, and Vespa Primavera 50 motorcycles in the color Officina 8. The convex mirror warning "objects in mirror are closer than they appear," is missing.

Consequence:

Without the convex mirror warning, riders may misjudge the distance of other vehicles, resulting in unsafe lane changes or maneuvers, increasing the risk of a crash.

Remedy:

PGA will install new mirrors with the warning message, free of charge. Owner notification letters are expected to be mailed May 18, 2026. Owners may contact PGA's customer service at 212-380-4400, or customercare@us.piaggio.com. Vehicle Identification Numbers (VINs) involved in this recall will be searchable on NHTSA.gov beginning May 18, 2026.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

We have received your proposed owner notification letter and it is approved for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Piaggio Group Americas, Inc.'s contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.
