**Subject:** Emergency Stop May Fail

Dear Joshua Chard:

This letter serves to acknowledge Altec Industries, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

ALTEC/L SERIES AERIAL DEVICE/2021  
ALTEC/LR SERIES AERIAL DEVICE/2021  
ALTEC/AT SERIES/2022-2025  
ALTEC/AA SERIES AERIAL DEVICE/2024-2025  
ALTEC/AM SERIES AERIAL DEVICE/2023-2025  
ALTEC/AN SERIES AERIAL DEVICE/2021-2025  
ALTEC/TA SERIES AERIAL DEVICE/2020-2026

**Mfr's Report Date:** May 15, 2026

**NHTSA Campaign Number:** 26V310

**Components:**

EQUIPMENT:MECHANICAL:BOOM/CRANE/LADDER:CONTROLS/CONTROL WIRING

**Potential Number of Units Affected:** 213

**Problem Description:**

Altec Industries, Inc. (Altec) is recalling certain 2022-2025 AT Series, 2021-2025 AN Series Aerial Device, 2020-2026 TA Series Aerial Device, 2021 L Series Aerial Device, 2021 LR Series Aerial Device, 2023-2025 AM Series Aerial Device, and 2024-2025 AA Series Aerial Device vehicles. The ground level emergency stop (E-stop) may not stop hydraulic functions of the machine when the machine is in ePTO mode.

**Consequence:**

Hydraulic functions that do not immediately stop when the ground level E-stop is pressed, increase the risk of injury.

**Remedy:**

Altec will inspect the units and test to verify the E-stop function. If the wiring is found to be incorrect, it will be updated, free of charge. Owner notification letters are scheduled to be mailed July 10, 2026. Owners may contact Altec customer service at 1-877-462-5832. Altec's number for this recall is CSN-3322.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

**Please be reminded of the following requirements:**

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Altec Industries, Inc.'s contact for this recall will be DeMara Magruder who may be reached by email at [demara.magruder@dot.gov](mailto:demara.magruder@dot.gov). We look forward to working with you.

Sincerely,

*Alex Ansley*
