Suite 500  
Dearborn, MI 48126

**Subject:** Incorrect Tire and Weight Capacity Information/FMVSS 110

Dear Tom Single:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FORD/RANGER/2026  
FORD/BRONCO/2026

**Mfr's Report Date:** May 26, 2026

**NHTSA Campaign Number:** 26V335

**Components:**

EQUIPMENT:OTHER:LABELS

**Potential Number of Units Affected:** 268

**Problem Description:**

Ford Motor Company (Ford) is recalling certain 2026 Ranger and Bronco vehicles. The vehicle specifications listed on the tire placard and safety certification labels may be incorrect, including the VIN, capacity weight, seating capacity, front and rear gross axle weight rating (GAWR), tire and rim dimensions, and recommended cold tire pressure. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 110, "Tire Selection and Rims" and 49 CFR Part 567, "Certification."

**Consequence:**

The incorrect tire size, tire pressures, and GAWR listed on the labels can allow the vehicle to be overloaded or have improperly inflated tires, increasing the risk of a crash.

**Remedy:**

Dealers will inspect and if necessary, replace the certification and TREAD labels, free of charge. Owner notification letters are expected to be mailed June 1, 2026. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 26C24. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on May 28, 2026.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

**Please be reminded of the following requirements:**

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Ford Motor Company's contact for this recall will be Dusty Gardner who may be reached by email at [dusty.gardner@dot.gov](mailto:dusty.gardner@dot.gov). We look forward to working with you.

Sincerely,

*Alex Ansley*
