Mfr's Report Date: May 27, 2026

NHTSA Campaign Number: 26V342

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 160

Problem Description:

Tiffin Motorhomes, Inc. (Tiffin) is recalling certain 2026-2027 Open Trail, Wayfarer, and 2026 Midas recreational vehicles. The Cargo Carrying Capacity (CCC) label may have been incorrectly printed on a white label. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 120, "Wheels and Rims-Other Than Passenger Cars."

Consequence:

The incorrect label color may make it difficult for the operator to locate the loading or tire pressure information, increasing the risk of a crash.

Remedy:

Dealers will replace the label, free of charge. Owner notification letters are expected to be mailed July 24, 2026. Owners may contact Tiffin customer service at 1-256-356-8661. Tiffin's number for this recall is WAY-107.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
