Subject: Incorrect Gear May Be Selected

Dear Ron Tedesco:

This letter serves to acknowledge General Motors, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

GMC/SAVANA/2026
CHEVROLET/EXPRESS/2026

Mfr's Report Date: May 28, 2026

NHTSA Campaign Number: 26V345

Components:

STEERING:COLUMN

Potential Number of Units Affected: 232

Problem Description:

General Motors, LLC (GM) is recalling certain 2026 Chevrolet Express and GMC Savana vehicles. The gear shifter may provide inaccurate gear selection feedback to the driver due to an incorrectly manufactured steering column assembly.

Consequence:

Inaccurate gear selection may result in unexpected vehicle movement, increasing the risk of a crash.

Remedy:

Until the remedy is performed, owners are advised to visually verify the shift position indicator each time a gear is selected and always use the parking brake when the vehicle is parked. Dealers will replace the

transmission control on the steering column, free of charge. Owner notification letters are expected to be mailed July 13, 2026. Owners may contact GMC customer service at 1-888-988-7267 or Chevrolet customer service at 1-800-222-1020. GM's number for this recall is N262558671. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on May 28, 2026.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

General Motors, LLC's contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
