Subject: Improperly Tightened Steering Gear Assembly Nut

Dear Ron Tedesco:

This letter serves to acknowledge General Motors, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

GMC/SAVANA/2025-2026
CHEVROLET/EXPRESS/2025-2026

Mfr's Report Date: June 23, 2026

NHTSA Campaign Number: 26V399

Components:
STEERING

Potential Number of Units Affected: 26,541

Problem Description:

General Motors, LLC (GM) is recalling certain 2025-2026 Express, and 2025-2026 Savana vehicles. The steering gear assembly may have a nut that was not properly tightened.

Consequence:

A loose nut that separates from the steering gear assembly while driving can cause a loss of steering control, increasing the risk of a crash.

Remedy:

Dealers will inspect and replace the steering gear assembly, if necessary, free of charge. Owner notification letters are expected to be mailed August 10, 2026. Owners may contact GMC customer

service at 1-888-988-7267 or Chevrolet customer service at 1-800-222-1020. GM's number for this recall is N262563570. Vehicle Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on June 23, 2026.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

General Motors, LLC's contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
