Subject: Loose Steering Gear Mounting Bolts

Dear Dheemanth Uppalapati:

This letter serves to acknowledge Harbinger Motors Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
HARBINGER MOTORS/STRIPPED CHASSIS/2025

Mfr's Report Date: June 24, 2026

NHTSA Campaign Number: 26V405

Components:
STEERING

Potential Number of Units Affected: 129

Problem Description:
Harbinger Motors Inc (Harbinger) is recalling certain 2025 Stripped Chassis vehicles. The steering gear mounting bolts may come loose or break.

Consequence:
Broken or loose steering gear bolts can cause a loss of steering control, increasing the risk of a crash.

Remedy:
Dealers will replace the steering gear assembly bolts, free of charge. Owner notification letters are expected to be mailed August 10, 2026. Harbinger's number for this recall is REC-04-00003.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

Risk Identification Not Supplied

Identify and describe the risk to motor vehicle safety related to the defect or noncompliance as required by 49 CFR 573.6 (c)(5). All filings should state an increased risk of either a crash, injury, or fire, and should be provided in an amended Part 573 Recall Report through the NHTSA Recalls Portal.

AMENDED 573 REQUIRED.

Involved Component Not Supplied

Provide the part number, name and description of the component(s) involved in this recall as required by 49 USC § 30119 in an amended 573 in the "Involved Components" section through the NHTSA Recalls Portal.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Harbinger Motors Inc.'s contact for this recall will be Sarah Shiver who may be reached by email at sarah.shiver@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
