Subject: Park Outside: Fire from Overheated Power Seat Motors

Dear J.S. (Jurassic) Park:

This letter serves to acknowledge Kia America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
KIA/TELLURIDE/2020-2024

Mfr's Report Date: July 02, 2026

NHTSA Campaign Number: 26V430

Components:
SEATS:FRONT ASSEMBLY:POWER ADJUST

Potential Number of Units Affected: 462,869

Problem Description:

Kia America, Inc. (Kia) is recalling certain 2020-2024 Telluride vehicles. The front power seat motor may overheat due to a stuck power seat slide knob or an improper recall 24V407 repair, which can result in a fire while parked or driving.

Consequence:

A fire increases the risk of injury.

Remedy:

Owners are advised to park outside and away from structures until the recall repair is complete. Dealers will install an electronic fuse assembly, free of charge. Owner notification letters are expected to be mailed August 13, 2026. Owners may contact Kia customer service at 1-800-333-4542. Kia's number for this recall is SC374. This recall replaces NHTSA recall number 24V407. Vehicles already repaired under

the previous recall will need to have the new remedy completed. Vehicle Identification Numbers (VINs) involved in this recall will become searchable on NHTSA.gov beginning July 17, 2026.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Kia America, Inc.'s contact for this recall will be Emily Smith who may be reached by email at emily.c.smith@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
