Makes/Models/Model Years:
IC BUS/CECB/2025-2027

Mfr's Report Date: July 16, 2026

NHTSA Campaign Number: 26V461

Components:

Potential Number of Units Affected: 50

Problem Description:

International Motors, LLC (International) is recalling certain 2025-2027 IC Bus CECB transit buses. The driver's window panel and entrance door vertical joints may have been attached without sufficient epoxy coverage. As such these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 221, "School Bus Body Joint Strength."

Consequence:

The body panels may separate during a crash, reducing structural integrity and increasing the risk of injury.

Remedy:

Dealers will install rivets along the driver's side window seam and entrance door seam, free of charge. Owner notification letters are expected to be mailed September 14, 2026. Owners may contact International's customer service at 1-800-448-7825. International's number for this recall is 26512.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
