Mfr's Report Date: July 27, 2026

NHTSA Campaign Number: 26V484

Components:

EXTERIOR LIGHTING:BRAKE LIGHTS

Potential Number of Units Affected: 265

Problem Description:

Jayco, Inc. (Jayco) is recalling certain 2025 Entegra Reatta XL, Reatta, 2026 Cornerstone Reserve, 2024-2026 Cornerstone, Aspire, and Anthem motorhomes built on certain Spartan K1, K2, and K4 chassis. The exterior brake lights may remain illuminated when the driver is not applying the brakes. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

Brake lights that remain on may fail to alert other vehicles of the driver's intention, increasing the risk of a crash.

Remedy:

Dealers will replace the pressure switch, free of charge. Owner notification letters are expected to be mailed August 31, 2026. Owners may contact Jayco customer service at 1-800-283-8267.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Jayco, Inc.'s contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,
