Dear James Triana:

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. Makes/Models/Model Years:

FORETRAVEL/REALM PRESIDENTIAL/2025-2027

Mfr's Report Date: July 27, 2026

NHTSA Campaign Number: 26V486

Components:

EXTERIOR LIGHTING:BRAKE LIGHTS

Potential Number of Units Affected: 69

Problem Description:

Foretravel, Inc. (Foretravel) is recalling certain 2025-2027 Realm Presidential motorcoaches. The exterior brake lights may remain illuminated when the driver is not applying the brakes. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

Brake lights that remain on may fail to alert other vehicles of the driver's intention, increasing the risk of a crash.

Remedy:

Foretravel will work with Shyft to replace the pressure switch, free of charge. Owner notification letters are expected to be mailed September 21, 2026. Owners may contact Foretravel customer service at 1-

800-955-6226.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
