Mfr's Report Date: August 31, 2026

EQUIPMENT:RECREATIONAL VEHICLE/TRAILER:LPG SYSTEMS:TANK ASSEMBLY

Potential Number of Units Affected: 88

Problem Description:

Tiffin Motorhomes, Inc. (Tiffin) is recalling certain 2026-2027 Wayfarer recreational vehicles. The liquid propane (LP) tank may have been manufactured without the remote shut off and may be loose in the mounting bracket.

LP tanks that cannot be shut off increase the risk of a fire. Additionally a loose LP tank may detach and become a road hazard, increasing the risk of a crash.

Remedy:

Dealers will install a remote shut off and replace the bracket, free of charge. Owner notification letters are expected to be mailed by October 30, 2026. Owners may contact Tiffin customer service at 1-256-

356-8661. Tiffin's number for this recall is WAY-108.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.
