Subject: Bracket May Tear Side Curtain Air Bag

Dear Tom Single:

This letter serves to acknowledge Ford Motor Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
FORD/BRONCO/2026

Mfr's Report Date: September 09, 2026

NHTSA Campaign Number: 26V580

Components:
AIR BAGS:SIDE/WINDOW:CURTAIN

Potential Number of Units Affected: 2,711

Problem Description:
Ford Motor Company (Ford) is recalling certain 2026 Bronco vehicles. The mounting bracket on the right-hand-side side curtain air bag may have a metal burr that can tear the air bag during deployment.

Consequence:
A torn air bag may fail to properly restrain an occupant during a crash, increasing the risk of injury.

Remedy:
Dealers will increase the space between the bracket and air bag to remove the contact condition, free of charge. Interim letters, notifying owners of the safety risk, are expected to be mailed September 15, 2026. Additional letters will be sent once the remedy is available, anticipated in October 2026. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 26S64. Vehicle

Identification Numbers (VINs) involved in this recall became searchable on NHTSA.gov on September 10, 2026.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

We have received your proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Ford Motor Company's contact for this recall will be Dusty Gardner who may be reached by email at dusty.gardner@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
