Mfr's Report Date: October 28, 2026

NHTSA Campaign Number: 26V716

Components:
EQUIPMENT:MOTORCYCLE:LUGGAGE/SIDE/TOP CASES:MOUNTING HARDWARE/FASTENERS

Potential Number of Units Affected: 3,974

Problem Description:
Triumph Motorcycles America, Ltd. (Triumph) is recalling certain 2022-2024 Tiger Sport, 2025-2027 Tiger Sport 660, 2025-2027 Tiger Sport 800, and 2026-2027 Tiger Sport 800 Touring motorcycles equipped with original equipment or accessory panniers. The motorcycles may experience insufficient pannier retention, which could result in a pannier detaching from the motorcycle during operation.

Consequence:
A detached pannier can cause an uneven change in vehicle weight distribution, affecting motorcycle stability, and increasing the risk of a crash.

Remedy:
Dealers will replace the pannier locking mechanism on all motorcycles, inspect the upper pannier mounting assembly and replace components, as necessary, free of charge. Owner notification letters are expected to be mailed November 17, 2026. Owners may contact Triumph customer service at 1-678-854-2010. Triumph's number for this recall is SRAN 649. Vehicle Identification Numbers (VINs) involved in this recall will become searchable on NHTSA.gov on November 15, 2026.

Notes:
Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-888-275-9171), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

Additional Chronology Information Required

As required by 49 CFR §573.6, Please amend the chronology to provide all principal events that were the basis for the determination that the defect related to motor vehicle safety, including a summary of all warranty claims, field or service reports, and other information (such as the number of deaths and/or injuries) with their dates of receipt.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in 49 U.S.C. § 30118(f), submission of eight consecutive quarterly reports followed by three annual reports is required. As described in 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter. The first of three consecutive annual status reports will be due on, or before, 1 year after the eighth quarterly report was submitted.

Triumph Motorcycles America, Ltd.'s contact for this recall will be DeMara Magruder who may be reached by email at demara.magruder@dot.gov. We look forward to working with you.

Sincerely,
