Description of remedy program:

Forest River will provide all parts and labor free of charge to Consumers and Dealers. An authorized Forest River dealer will need to perform the remedy to add the chassis bonding wire.

What is the Forest River Customer Service Phone Number? (574) 522-1368

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized. Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.

Please send the service invoice to the following address:

Forest River Diesel
1800 West Hively
Elkhart, IN 46517

How remedy component differs from recalled component:

Affected Component – Chassis Bonding Wire

The distribution panel will now be grounded to the chassis.

Identify how/when recall condition was corrected in production:

The week of March 2, 2026, the concern was noticed during an inspection and the chassis bonding wire was added.

Reimbursement Plan

Part 573 Safety Recall Report

26V131

Manufacturer used general reimbursement plan on file.

Recall Schedule

Description of recall schedule:

Forest River has the utmost urgency in our recalls. Forest River will send suspected VIN numbers to our third party vendor that is licensed to pull data on the current owner of the vehicles (as needed) once a formal NHTSA I.D. is provided. Forest River intends on pushing the mailing out as soon as NHTSA provides any correction(s) and an Acknowledgement Letter.
