Part 573 Safety Recall Report

26V323

Manufacturer Name: Wabash National Corporation

Submission Date: May 20, 2026

NHTSA Recall No.: 26V323

Manufacturer Recall No.: TBD

Manufacturer Information

Population

Manufacturer Name: Wabash National Corporation
Address: PO Box 6129
1000 Sagamore Parkway
South
Lafayette IN, 47903-6129

Total number of potentially involved: 721
Estimated percentage with defect: 80%

Vehicle Information

Vehicle 1: 2024-2027 Wabash Platform Trailer

Product Category: Trailers

Product Type: Flatbed Trailer

Fuel / Propulsion:

Production Dates: Jan 26, 2023 - Mar 17, 2026

Number of potentially involved: 350

Descriptive Information:

The affected population includes certain trailers equipped with C-Channel rear sills and fork truck Moffet kits, which permit owners to mount a forklift on the rear of the trailer. (The mounted forklifts are equipped with conspicuity tape.) The recall scope was determined based upon a review of production and sales records.

Vehicle 2: 2019-2023 Transcraft Platform Trailer

Product Category: Trailers

Product Type: Flatbed Trailer

Fuel / Propulsion:

Production Dates: Oct 03, 2018 - Dec 08, 2022

Number of potentially involved: 371

Descriptive Information:

The affected population includes certain trailers equipped with C-Channel rear sills and fork truck Moffet kits, which permit owners to mount a forklift on the rear of the trailer. (The mounted forklifts are

equipped with conspicuity tape.) The recall scope was determined based upon a review of production and sales records.

Defect / Noncompliance Description

Description of the defect or noncompliance:

The subject trailers may not be equipped with conspicuity tape that identifies the rear deck height as required in S8.2.3 of Federal motor vehicle safety standard (FMVSS) No. 108, Lamps, reflective devices, and associated equipment.

FMVSS1: 108 - Lamps, reflective devices, and assoc. Equipment

FMVSS2:

Description of the safety risk, including crash, fire, death, injury:

This condition may reduce the trailer's visibility to other drivers, potentially increasing the risk of a crash.

Wabash is not aware of any accidents or injuries related to this condition.

Description of the cause:

Conspicuity tape was inadvertently omitted from affected platform trailers.

Identification of any warning that can occur:

Inspection of the trailer's rear deck during routine inspections that motor carriers are required to conduct may identify the absence of conspicuity tape on the rear of the trailer.

Involved Components

Component Name 1: Conspicuity Tape

Part 573 Safety Recall Report

26V323

Component Description: Conspicuity Tape

Component Part Number: N/A

Chronology

4/21/2026 - Wabash learned that a customer was cited for missing conspicuity material on the rear of the trailer. The concern was entered into Wabash's quality system for review.

4/22/2026 - Wabash reviewed photographs from the customer and noted the absence of conspicuity tape across the width of the rear deck.

4/23-5/14/2026 - Wabash investigated warranty, sales, and manufacturing information and escalated the issue to the Product Safety Committee to evaluate compliance with FMVSS 108 and the potential scope of the issue.

5/15/2026 - Based on the Product Safety Committee's investigation, Wabash determined that the affected populations of trailers may not comply with FMVSS 108 S8.2.

There have been no reported injuries or accidents related to this issue.

Related NHTSA Recall Number:

Description of Remedy

Remedy Type: Mail Information/Labels

Consumer Advisories: Do Not Drive Park Outside

Description of remedy program:

Conspicuity tape along with installation instructions will be issued to all affected customers.

How remedy component differs from recalled component:

Once remedied, the trailers will comply with S8.2.3 of FMVSS 108.

Identify how/when recall condition was corrected in production:

Wabash implemented updated work instructions on April 27, 2026 to ensure proper installation of conspicuity tape

Reimbursement Plan

Manufacturer used general reimbursement plan on file.

Part 573 Safety Recall Report**26V323****Recall Schedule****Description of recall schedule:**
