

## IMPORTANT SAFETY RECALL

### NHTSA Recall 26V-043 (CAN 2026-029)

#### Claim Preparation & Inspection/Repair Instructions

Please complete a warranty pre-authorization request using the following codes & labor times:

#### **Labor:**

Flat Rate Code: **900011**  
Fault Code: **Improperly Installed - Poor/Open Electrical Connection**  
Time Allowed: **0.5 hrs**

#### **Parts:**

No parts are supplied by Brinkley RV for this inspection and repair. Any equipment required for this repair (drill with bits, torque tools) are considered standard shop supplies, and should be readily available to an RV repair facility or mobile RV technician.

#### **Pre-Authorization:**

All Brinkley RV dealer recalls will require preauthorization approval prior to claim creation. Promptly file preauthorization through our dealer portal using the information above to confirm the correct flat rate is applied.

#### **Claim Filing:**

When repair is complete, promptly file a claim through our dealer portal.

#### **Required photo (1):**

- Photo of the back side of the shore inlet after the work is complete (showing wires safely installed in their proper connection locations). Reference Figure 6a in the work instruction.

If you have any questions, please call our Customer Care Team at (574) 501-4280.
