Hyundai Motor America (HMA) has re-launched Recall 295: Front Steering Knuckle Inspection & Replacement - with the following revision:
- TSB 26-01-024H-1 has been revised to:
Add the front steering knuckle replacement procedure

A "stop sale" has been issued on affected new vehicles in dealer's inventory. As required by federal law, dealers must not deliver new vehicles for sale or for lease to customers until all open recalls have been performed. Dealers must perform all open recalls on used vehicles, demo, and rental vehicles prior to placing them into customer use and whenever an affected vehicle is in the shop for any maintenance or repair.

A. New Stock Vehicles at Dealers Uncompleted:

D. Important Notes:

1. Confirm VIN eligibility via WebDCS. Review if any vehicles are currently at dealer's location in dealer stock. **Do not sell any vehicles identified with an open recall until remedy has been applied.**

2. **Follow TSB 26-01-014H-1** to perform the inspection of the front steering knuckle(s). If the vehicle does not pass the inspection, replace the applicable front steering knuckle(s).

3. **Submit campaign claim** once the service procedure is completed.

We appreciate your continued partnership and commitment to our Hyundai customers.
Thank you for your patience and understanding.
