

WHEN YOU KNOW THE DIFFERENCE.

IMPORTANT SAFETY RECALL NOTICE

Date: February 27, 2026

Subject: Recall Campaign NHSTA #26V107: Hydronic Heating System Wiring

Newmar Campaign No.: 626 RSB

This notice is sent to you as a Newmar Dealer in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Newmar Corporation has decided that a safety hazard, which relates to motor vehicle safety, exists in specific Newmar recreational vehicles.

REASON FOR THIS RECALL

On certain Newmar Vehicles the wiring powering the main power and controls for the hydronic heating system were connected to the wrong side of the house constant 12v power. The incorrect wiring will allow the hydronic heating system to power on when a certain temperature is met and unintentionally activate the hydronic heating system.

The hydronic heating system may result in an unintended activation and may produce harmful gases from the exhaust if stored inside increasing the risk of injury.

Motorhomes included in this recall include:
2026 Newmar Freedom Aire Motorhomes

OWNER NOTIFICATION

Newmar Corporation will be conducting this recall in its entirety. Newmar will notify the owner by mail and instruct them to take their motorhome to an authorized service facility to have the wiring reworked to connect the power wires to the battery disconnect side of the 12v battery power.

DEALER CAMPAIGN RESPONSIBILITY

Dealers are to provide to all customers/owner vehicles the service of completing this campaign at no charge to the customer/owner regardless of vehicle age, vehicle mileage, or ownership at the time of repair.

PLEASE NOTE: Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty. Correct all vehicles in your new vehicle inventory before delivery

REPAIR PROCEDURE

Newmar Corporation will be reworking the wiring to connect the power wires for the Hydronic Heating System to the battery disconnect side of the 12v battery power. This will not allow power to the Hydronic Heating System when the coach does not have power connected.

The National Traffic and Motor Vehicle Safety Act requires that each vehicle, which is subject to a recall campaign of this type, must be satisfactorily repaired within a reasonable time after the owner has tendered it for repair. Every effort must be made to promptly schedule an appointment with each owner and to repair their vehicle as soon as possible. Vehicle owners are being notified of this recall and have been instructed to contact Newmar and/or the National Highway Traffic Safety Administration if the condition is not remedied within a reasonable time.

If you should have any questions, please contact your service account manager direct or the Newmar service department at: 1-800-731-8300.

Thank you for your cooperation.

Sincerely,

Newmar Corporation
