Dearborn, Michigan 48121

April 20, 2026

**TO:** All U.S. Ford and Lincoln Dealers

**SUBJECT: NEW VEHICLE DEMONSTRATION / DELIVERY HOLD - Advance Notice  
Safety Recall 26S29**  
Certain 2024-2026 Model Year Ranger Vehicles  
A-Pillar Wiring Inspection and BCM Update

**AFFECTED VEHICLES (U.S. Population Of Affected Vehicles 136,945):**

Vehicle	Model Year	Assembly Plant	Build Date Range
Ranger	2024-2026	Michigan	December 9, 2022 through December 28, 2025

Affected vehicles are identified in OASIS and FSA VIN Lists.

**REASON FOR THIS SAFETY RECALL**

In all the affected vehicles, a pinched wire for the right or left sunvisor can create a short to ground. When this occurs, the driver may experience flickering or inoperative sunvisor mirror lights and overhead console lights. Heat or spark at this short to ground may also cause smoke, burning, melting or a fire in the A-pillar area. Smoking, melting, or fire in the A-pillar area increases the risk of injury or a crash.

**SERVICE ACTION**

DO NOT DEMONSTRATE OR DELIVER any new in-stock vehicles involved in this safety recall. For new vehicle storage guidelines, refer to EFC13033, Storage Guidelines for New Vehicles.

**The remedy is anticipated to be available:**

**2025 Ranger - May 29, 2026**

**2026 Ranger - June 26, 2026**

**2024 Ranger - July 24, 2026**

**A complete Dealer Bulletin including technical instructions will be provided to dealers when a remedy is available to support this safety recall.**

**IMPORTANT: Dealers should open a Repair Order (RO) only when a full dealer bulletin is published. Opening an RO against an Awareness or Advance Notice will result in warranty rejections against a recall.**

**OWNER NOTIFICATION**

Owners of record will be notified via first-class mail within sixty days, which may occur before remedy availability including repair instructions have been provided to dealers.

**PLEASE NOTE:**

**Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to \$27,168 per vehicle. Correct all vehicles in your new vehicle inventory prior to delivery.**

### **DEALER-OPERATED RENTAL VEHICLES**

The Fixing America's Surface Transportation (FAST) Act law effective June 2016 prohibits a rental company from selling, renting or leasing vehicles subject to a safety recall. Please consult your legal counsel for legal advice.

### **QUESTIONS & ASSISTANCE**

For questions and assistance, contact the Special Service Support Center (SSSC) via the SSSC Web Contact Site. The SSSC Web Contact Site can be accessed through the Professional Technician System (PTS) website using the SSSC link listed at the bottom of the OASIS VIN report screen or listed under the SSSC tab.
