RE: **Notice of Recall: 26V271**

This notice is sent to you in accordance with the requirements of the **National Traffic and Motor Vehicle Safety Act**. Roadtrek Inc. has decided that a defect which relates to pop-top latch misalignment exists in all Roadtrek & Westfalia “with pop-top option” vehicles manufactured from 27th April 2022 through 06th April 2026.

What is the problem?

Roadtrek Inc. has issued **Recall ID 26V271** for Play Plus Slumber, Play Slumber, Zion Slumber, Westfalia Wave Slumber from 2022 to 2026 vehicles due to potential pop-top primary latch misalignment when closing the pop-top for travel if primary latch has the potential to be misaligned, it can become disengaged.

What should you do?

The **Corrective Action** requires that you contact a Roadtrek/Westfalia Dealer of your choice to arrange to get the safety latch and safety straps replaced. The dealer to contact Roadtrek Inc. to obtain the latch, the straps and the hardware, then book an appointment with you to have the repair performed. Please be assured that the repair will be performed at no cost to you. This remedy will take approximately ½ hour.

Should you have questions about this campaign, please call 1-888-762-3873 or email: salessupport@roadtrekinc.com.

If you no longer own the vehicle, please inform Roadtrek Inc. of the new owner online at salessupport@roadtrekinc.com.

We regret any inconvenience these actions may cause.
