NEWMAR

WHEN YOU KNOW THE DIFFERENCE.

IMPORTANT SAFETY RECALL NOTICE

Date: **May 4, 2026**
Subject: **Recall Campaign NHSTA #26V273: Incorrect Cargo Carrying Capacity**

Newmar Campaign No.: 631 RSB

This notice is sent to you as a Newmar Dealer in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Newmar Corporation has decided that a non-compliance, which relates to motor vehicle safety, exists in specific Newmar recreational vehicles.

REASON FOR THIS RECALL

On certain motorhomes the Cargo Carrying Capacity (CCC) label may state the incorrect weight value. As such, these vehicles fail to comply with the requirement of Federal Motor Vehicle Safety Standard (FMVSS) number 120, "Wheels and Rims – Other Than Passenger Cars."

Incorrect weight information can allow the vehicle to be overloaded, increasing the risk of a crash.

Motorhomes included in this recall include:
2026 Newmar Freedom Aire

OWNER NOTIFICATION

Newmar Corporation will be conducting this recall in its entirety. Newmar will notify the owner by mail and instruct them to take their motor home to an authorized service facility to replace the labels, free of charge.

DEALER CAMPAIGN RESPONSIBILITY

Dealers are to provide to all customers/owner vehicles the service of completing this campaign at no charge to the customer/owner regardless of vehicle age, vehicle mileage, or ownership at the time of repair.

PLEASE NOTE: Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty. Correct all vehicles in your new vehicle inventory before delivery

REPAIR PROCEDURE

The recalled motorhomes will have the Cargo Carrying Capacity (CCC) label with the incorrect weight removed and replaced with a new label showing correct weight information. Remedy instructions will be provided by Newmar Corporation.

The National Traffic and Motor Vehicle Safety Act requires that each vehicle, which is subject to a recall campaign of this type, must be satisfactorily repaired within a reasonable time after the owner has tendered it for repair. Every effort must be made to promptly schedule an appointment with each owner and to repair their vehicle as soon as possible. Vehicle owners are being notified of this recall and have been instructed to contact Newmar and/or the National Highway Traffic Safety Administration if the condition is not remedied within a reasonable time.

If you should have any questions, please contact your service account manager direct or the Newmar service department at: 1-800-731-8300.

Thank you for your cooperation.

Sincerely,

Newmar Corporation
