Subject:

BC900XL Main
Frame/Tongue Update
Kit
(IK003304)

Background:

In July 2016 and January 2024, owner notifications were sent regarding the above-referenced product safety recall. We have not received confirmation that all the machines have been updated.

MAIN FRAME WELDMENT FAILURE MAY OCCUR

During manufacturing, the welds between the tongue and the front cross member may not have been properly completed. These improper welds may result in higher material stresses during towing, resulting in bending and/or fatigue fractures

of the tongue to main frame weldment. If a failure of the weld occurs, the tongue could separate from the main frame.

DEATH OR SERIOUS INJURY

If the tongue separates from the main frame, loss of vehicle control while towing on a public highway will occur. **Death or serious injury is possible.** Property or equipment damage may also occur.

Reference: Service bulletin SVC2016-077 first notice and service bulletin SVC2024-012 second notice for this product safety recall.

Solution:

IMMEDIATE MACHINE MODIFICATIONS REQUIRED

IK003304 has been created to provide the necessary parts and instructions for updating the main frame and tongue. **This kit must be installed as soon as possible.**

Please be reminded that it is a violation of federal law for you to sell or lease the machines covered by this notification until this recall has been performed on these machines. Substantial civil penalties apply to violations of this law.

DEALER PARTICIPATION

REVIEW REPORT, ORDER KITS, CONTACT CUSTOMERS

1. **Reports** will be emailed during the week of June 2, 2026, to dealerships shown in our records which have units in their territory affected by this recall. Please review the report for accuracy, including:
 - **Kit installation status.** If IK003304 has **not** been installed, the report will indicate status of **open**. Please verify your records to determine if the kit has been installed. If installed, please file a claim to confirm installation and request labor reimbursement prior to the owner letter notification mailing date referenced below.
 - **Owner/address information.** If the information contained in the report is **not** correct, please update the machine registration or notify the product safety department on or before **June 15, 2026**, at:
Telephone: 641-621-7060
Fax: 641-621-8562
Email: productsafety@vermeer.com
2. **Review kits in dealer inventory.** Prior to ordering kits from the Parts Distribution Center, check your inventory to determine if you have IK003304 in stock. Enter kit orders in EzParts as needed. **Do not order more kits than needed for immediate installation.**
3. **Contact your affected customer(s)** to schedule a mutually acceptable time to upgrade their machine. **Note:** Letters will be sent to the customers on or about **June 16, 2026**. *Also refer to Owner Notification section below.*

If you have any questions concerning the installation of IK003304, please contact the environmental service department.

REIMBURSEMENT

Upon completion of each kit installation, a campaign warranty claim must be submitted to the warranty department for reimbursement of the cost of parts and labor to install the kit. Labor hours to install: 3.0 hour(s).

Travel will be paid up to \$200 (\$1 per mile with a \$200 max round trip) with copy of work order attached for retailed machines not in dealer inventory. If dealer repairs more than one machine at same location on one trip, travel will only be paid on one of the models/VINs.

Note: *Future notices to dealers and owners are dependent upon the receipt of warranty claims.*

OWNER NOTIFICATION

Included at the end of this bulletin is a **sample owner letter** which will be sent by Vermeer Corporation directly to the owners on or about June 16, 2026. Owner notice translations will be provided in the following languages:

• Brazilian Portuguese	• Spanish
• French	

All translated owner notices will also include owner notification in English.

This owner notification/letter instructs the owner **to contact their local dealership** to arrange for a time to have the Kit installed. After receiving IK003304 from the Parts Distribution Center, you **must contact your affected customer(s) immediately** and schedule a mutually acceptable time to upgrade their machine(s).

We regret any inconvenience that these corrective measures may cause you. This required work is for safety of the towing vehicle occupants and other drivers and passengers on the public roadways.

Final Notice

**BC900XL Main Frame/Tongue
Update Kit
(IK003304)**

Model: «Model»

This notice applies to your vehicle,
Serial #: «SerialN»

June 16, 2026

Dear BC900XL owner:

This notice is sent to you in accordance with the requirements of the U.S. National Traffic and Motor Vehicle Safety Act.

In July 2016 and January 2024, owner notifications were sent regarding the above-referenced product safety recall. We have not received confirmation that all the machines have been updated. To read more about this potential safety hazard, a copy of the first notice is included for your reference. **Note: If Vermeer learned of your ownership after mailing of the first notice, this will be your first notice.**

Vermeer has decided that a defect, that relates to motor vehicle safety, exists in certain model year 2012-2016 Vermeer brush chippers.

Our records indicate that the product safety update **may not** have been installed on your Vermeer BC900XL brush chipper.

If the kit has **not been installed**, please contact your independent, authorized **Vermeer dealership** immediately to arrange a mutually acceptable time and location to have your machine upgraded **at no cost** to you for labor or materials. The installation of this kit is estimated at 3 hours of labor. If the Vermeer dealer travels to the unit to install the kit, costs may be incurred by the owner. **You must have your machine upgraded for these safety features.**

Contact your local Vermeer dealer: «Service_Dealer_Name»
«Serv_Dealer_Add1» «Serv_Dealer_Add2»
«Serv_Dealer_City» «Serv_Dealer_St» «Serv_Dealer_Zip»
«SERV_DEALER_COUNTRY»
Telephone: «Serv_Dealer_Phone»

If the kit has **been installed**, please contact the product safety department using the contact methods below.

If you no longer own this unit, please notify the product safety department at:

Toll-free: 800-829-0051, option 1
Telephone: 641-621-7060
Email: productsafety@vermeer.com

If possible, please provide the name and address of the new owner. *Note: The model and serial number is shown at the top center of this letter.*

We regret any inconvenience that these corrective measures may cause you. This required work is for safety of the towing vehicle occupants and other drivers and passengers on the public roadways.

Regards,
PRODUCT SAFETY DEPARTMENT

Enclosure: First notice owner letter – July 19, 2016

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten (10) days.

If the authorized dealer has failed or is unable to remedy the defect without charge and within a reasonable time, contact Vermeer Product Safety by email at productsafety@vermeer.com or by calling 800-829-0051 or 641-621-7060. You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, D.C. 20590 or call the Vehicle Safety Hotline at 888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.
