

IMPORTANT SAFETY RECALL

NHTSA Recall No: 26V434

July 21, 2026

Subject: Stop Sale Notification – NHTSA Recall 26V434

MobilityWorks Team,

BraunAbility is issuing a stop sale for the following **2026 Chevrolet Traverse** vehicles, listed below, under NHTSA Recall **26V434**. The affected vehicles may have a fuel fill line with a missing braze connection, which could allow a fuel leak and increase the risk of fire.

Until the recall repair has been completed, these vehicles must not be retailed (**STOP SALE**).

AFFECTED VEHICLES

2026 Chevrolet Traverse Side Entry vehicles identified under **NHTSA Recall 26V434**.

Sold-To	VIN

DEALER ACTION – IMMEDIATE

1. **Review Service Bulletin #612238** – Recall 26V434 Fuel Fill Assembly Field Remedy.
2. **Locate and Hold All Affected Inventory**
 - o Immediately identify any affected vehicles in your inventory using the VIN list above.
 - o Do not deliver, retail, or transfer affected vehicles until the recall repair is completed.
3. **Perform Recall Repair**
 - o Confirm the VIN is included in Recall 26V434.
 - o Replace the Fuel Fill Assembly following the procedures outlined in Service Bulletin [#612238](#).
4. **Submit Warranty Claim**
 - o Submit the repair claim through BAConnect+ using:
 - **Warranty Topic:** Recall > 26V434 > Repair
5. **Release of Vehicle from Stop Sale**
 - o After the repair is completed and the warranty claim has been submitted and accepted, the vehicle may be released from stop sale status and sold.

LABOR & COMPENSATION

BraunAbility will reimburse:

- **1.0 hour** labor time for completion of the recall repair.
- Warranty claims must be submitted through BAConnect+ under:
 - **Topic 1:** WAV
 - **Topic 2:** Recall
 - **Topic 3:** 26V434
 - **Topic 4:** Repair

We appreciate your prompt attention and partnership in completing this recall. Your diligence helps ensure the continued safety and reliability of BraunAbility vehicles for our shared customers.

Thank you for your prompt attention to this matter.

Sincerely,

BraunAbility
Customer Care and Aftersales Team
