Original Publication Date: July 8th, 2026

SAFETY RECALL 26LA08 *(Interim Notice 26LB08)*

Certain 2026 Model Year TX350, TX500H and TX550H
Rear Axle Carrier May Break
NHTSA Recall No TBD

STOP **STOP! DO NOT SELL NEW VEHICLES IN DEALER INVENTORY.** STOP
Refer to Dealer Inventory Procedures section for more details.

On July 8, 2026, Lexus filed a Defect Information Report (DIR) with the National Highway Traffic Safety Administration (NHTSA) informing the agency of our intent to conduct a voluntary Safety Recall on Certain 2026 Model Year TX350, TX500H and TX550H.

Model / Years	Production Period	Approximate Total Vehicles	Approximate Stop Sale Dealer Inventory
TX350	Early April – Late April 2026	1190	162
TX500H	Early April – Late April 2026	210	23
TX550H	Early April to Mid-April 2026	50	1

Condition
The rear axle carriers in the subject vehicles may not have been manufactured properly. A carrier can break at a certain attachment point which can affect rear vehicle stability, increasing the risk of a crash in some operating conditions.

Owner Notification Date
September 2026.

Remedy (Not Available)
At this time, Lexus estimates the remedy can be available by September 2026. When available, the dealer will inspect the rear axle carrier sub-assemblies for specific codes. Affected sub-assemblies will be replaced at no charge.

Owner Notification
Mail
Lexus will notify owners by early-September 2026.

Lexus App
Vehicles involved in this Recall will be visible in the App at time of announcement.

Media Contacts
It is imperative that all media contacts (local and national) receive a consistent message. In this regard, all media contacts must be directed to pressroom.lexus.com.

New Vehicles in Dealership Inventory

There are approximately 186 vehicles in new dealer inventory as of July 7, 2026.

Under Title 49, Section 30112 of the United States Code, a dealer cannot sell, offer for sale, or introduce or deliver for introduction in interstate commerce a new motor vehicle when it is aware that the vehicle does not comply with an applicable Federal Motor Vehicle Safety Standard or contains a defect related to motor vehicle safety. Further, 49 Code of Federal Regulations §577.13 requires us to provide the following advisory: It is a violation of Federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by this notification under a sale or lease until the defect or noncompliance is remedied.

Lexus reimburses dealers for flooring costs associated with new vehicles held in dealership inventory until the recall remedy becomes available. Lexus provides these flooring reimbursements within 30 days of remedy launch. Lexus reserves the right to withhold or charge-back any flooring reimbursement funds that may have been paid to the dealer if it determines that a new vehicle subject to a safety recall was sold without first being remedied.

Vehicle Safety Recall completion should always be verified through TIS. We request your assistance to ensure involved vehicles are identified and not delivered prior to performing the remedy.

NOTE:

- *New vehicles in dealer inventory subject to a Safety Recall must be remedied before delivery into commerce under a sale or lease. Dealer-to-dealer trades as well as vehicle sales between dealers should not be made until a vehicle is remedied.*
- Dealers can identify if any of their new and used inventory has any open campaigns in the Vehicle Inventory Summary available in Dealer Daily. The Vehicle Inventory Summary may take up to 4 hours to populate information for newly launched campaigns.

Inspection Reminder Mirror Hang Tags for Covered Vehicles in New Dealer Stock

To easily recognize vehicles involved in this Safety Recall, each dealership should utilize Inspection Reminder Hang Tags. Inside the vehicle's glove box are stickers containing the VIN. Apply one of these stickers to the hang tag and install the hang tag in the vehicle. A sample copy of the Inspection Reminder Hang Tag has been included for your reference.

NOTE: Dealerships can order hang tags from the Material Distribution Center (MDC).

Part Number	Description	Quantity
00411-140003	Inspection Mirror Hang Tag	25 Per Pack

Frequently Asked Questions

Q1: *What is the condition?*

A1: The rear axle carriers in the subject vehicles may not have been manufactured properly. A carrier can break at a certain attachment point which can affect rear vehicle stability, increasing the risk of a crash in some operating conditions.

Q2: *What is Lexus going to do?*

A2: When the remedy is available, all known owners of the subject vehicles will be notified to return their vehicles to a Lexus dealer. For all involved vehicles, the dealer will inspect the rear axle carrier sub-assemblies for specific codes. Affected sub-assemblies will be replaced at no cost.

Back to Contents

Q3: *Which and how many vehicles are covered by this Safety Recall?*

A3: There are approximately 1,340 vehicles covered by this Safety Recall.

Model / Years	Production Period	Approximate Total Vehicles
TX350	April 2026	1,100
TX500H	April 2026	200
TX550H	April 2026	50

Q4a: *Are there any other Lexus/Toyota/Scion vehicles covered by this Voluntary Emission Recall in the U.S.?*

A4a: Yes, Certain Grand Highlander and Grand Highlander HVare covered by this Recall.

Q4: *How does Lexus obtain my mailing information?*

A4: Lexus uses an industry provider who works with each state's Department of Motor Vehicles (DMV) to receive registration or title information, based upon the DMV records. Please make sure your registration or title information is correct.

Q5: *What if I have additional questions or concerns?*

A5: If you have additional questions or concerns, please contact the Lexus Brand Engagement Center at 1-800-255-3987 Monday through Friday, 8:00 am to 8:00 pm, Saturday 9:00 am to 7:00 pm Eastern Time.

Policies And Procedures

New Vehicles in Dealership Inventory - Reminder

Below is a reminder of the dealer's obligations pertaining to Safety Recalls if there are new vehicles in dealership inventory:

> Under Title 49, Section 30112 of the United States Code, a dealer cannot sell, offer for sale, or introduce or deliver for introduction in interstate commerce a new motor vehicle when it is aware that the vehicle does not comply with an applicable Federal Motor Vehicle Safety Standard or contains a defect related to motor vehicle safety. Further, 49 Code of Federal Regulations §577.13 requires us to provide the following advisory: It is a violation of Federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by this notification under a sale or lease until the defect or noncompliance is remedied.

Vehicle Safety Recall completion should always be verified through TIS. We request your assistance to ensure involved vehicles are identified and not delivered prior to performing the remedy.

NOTE: Dealers can identify if any of their new and used inventory has any open campaigns in the Vehicle Inventory Summary available in Dealer Daily. The Vehicle Inventory Summary may take up to 4 hours to populate information for newly launched campaigns.

Pre-Owned Vehicles in Dealer Inventory

To ensure guest satisfaction, Lexus requests that dealers complete this Safety Recall on any used vehicles currently in dealer inventory that are covered by this Safety Recall prior to guest delivery. However, if the campaign cannot be completed (for example, due to remedy parts availability), delivery of a covered vehicle is acceptable if disclosed to the guest that the vehicle is involved in a Safety Recall.
Lexus expects dealers to visit https://lexus-recall-disclosure.imagespm.info/ and complete a Customer Contact and Vehicle Disclosure Form. Dealers are expected to provide a copy of the completed form, along with the most current FAQ, to the vehicle buyer. Lexus and the dealer may use this information to contact the guest when the remedy becomes available. Keep the completed form on file at the dealership.

NOTE: Dealers can identify if any of their new and used inventory has any open campaigns in the Vehicle Inventory Summary available in Dealer Daily. The Vehicle Inventory Summary may take up to 4 hours to populate information for newly launched campaigns.

Lexus Certified Used Vehicle

The LCertified policy prohibits the certification of any vehicle with an outstanding Safety Recall, Special Service Campaign, or Limited Service Campaign. Thus, no affected units are to be designated, sold, or delivered as a LCertified until all applicable Safety Recalls, Special Service Campaigns, and Limited Service Campaigns have been completed on that vehicle.

Back to Contents

LCCS Service Loaners

Lexus requests that dealers remove all LCCS Service Loaner vehicles from service that are covered by a Safety Recall unless the defect has been remedied.

Claim Filing Accuracy and Correction Requests

It is the dealer's responsibility to file claims correctly for this Safety Recall. This claim filing information is used by Lexus for various government reporting activities; therefore, claim filing accuracy is crucial. If it has been identified that a claim has been filed using an incorrect Op Code or a claim has been filed for an incorrect VIN, refer to Warranty Procedure Bulletin PRO17-03 to correct the claim.

Parts Recovery Procedures

All parts replaced as part of this Safety Recall must be turned over to the parts department until appropriate disposition is determined. The parts department must retain these parts until notification via the Parts Recovery System (PRS) is received indicating whether to ship or scrap the parts. These parts are utilized by various departments for defect analysis, quality control analysis, product evaluation, as well as other purposes.

To help minimize dealer storage challenges, Lexus recommends that dealers:

- File the campaign claim accurately and promptly. The time a dealer is required to hold parts is based on when the campaign claim is paid by Lexus.
- Monitor the Warranty Parts Recovery Notifications and Part Scrap Report regularly.

Refer to Warranty Policies 9.3 and 9.6 for additional details.
