

**STOP SALE NOTICE - IMPORTANT SAFETY
RECALL
NHTSA 26V-446
TC 2026-336**

June 8, 2026

To: All Grand Design RV Dealers

Grand Design RV has determined that a safety defect exists in certain Grand Design RV units equipped with an Airxcel (RV Products) MaxxAir roof ventilation fan whose control board (PCB) can overheat. A recall to address this issue was initiated effective <Effective Date> This action is a companion recall to Airxcel (RV Products) recall 26E-036.

Description of the Defect Affected units are equipped with an Airxcel (RV Products) MaxxAir roof ventilation fan whose control board (PCB) can overheat, which could result in a fire. The affected control boards were built December 15, 2025 through June 17, 2026 and installed in fans built January 5, 2026 through June 17, 2026.

Remedy On affected units, dealers will inspect the MaxxAir fan and, where the control board is within the affected range, replace it with a validated board, following the attached repair instructions and the Airxcel (RV Products) 26E-036 Inspection and Repair Procedure. Inspection takes about 15 minutes, plus about 15 minutes if the board is replaced (flat rate: 0.25 hour inspection only; 0.50 hour inspection and replacement). There will be no charge for this service. The required repair instructions are attached to this letter and posted to the GDRV dealer portal.

Grand Design RV has determined that a safety defect exists in certain Grand Design RV units equipped with an Airxcel (RV Products) MaxxAir roof ventilation fan whose control board (PCB) can overheat. A recall to address this issue was initiated effective <Effective Date>. This action is a companion recall to Airxcel (RV Products) recall 26E-036.

- Airxcel (RV Products) procedure (recall 26E-036) - MaxxAir Fan Control Board Inspection & Replacement

STOP SALE

Under Title 49, Section 30112 of the United States Code, a dealer cannot sell, offer for sale, or introduce or deliver for introduction in interstate commerce a new motor vehicle when it is aware that the vehicle does not comply with an applicable Federal Motor Vehicle Safety Standard or contains a defect related to motor vehicle safety. **Further, 49 CFR §577.13** requires us to provide the following advisory: *It is a violation of Federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by this notification under a sale or lease until the defect or noncompliance is remedied.*

Your assistance with this recall is appreciated. If you have any questions or concerns, contact Grand Design Technical Support at 574-825-6264 or 888-825-2820 and select the prompt for "Recall."

Respectfully,
Grand Design RV, LLC
