

SAFETY RECALL

CAMPAIGN BULLETIN

Certification Label (GAWR)
Voluntary Safety Recall Campaign

Campaign ID: R26B1

Date: July 16, 2026

Attention: Dealer Principal, Sales, Service & Parts Managers

IMPORTANT: It is a violation of Federal law for dealers to sell or deliver new vehicles in their inventory covered by this notification until the campaign's remedy action is performed.

Affected Models/Years:	Affected Population:	New Dealer Inventory:	SERVICE COMM Activation date:
MY2020-2024 Armada (Y62)	24,826	188	July 16, 2026
MY2025-2026 Armada (Y63)	4,626	453	

***** Campaign Summary *****

Nissan is committed to the safety and security of our customers and passengers. Nissan has notified the National Highway Traffic Safety Administration (NHTSA) that it is conducting a Voluntary Safety Recall Campaign on certain model year 2020-2026 Nissan Armada vehicles identified in Service Comm and DBS National Service History.

Condition:

On certain affected Armada vehicles with 22-inch wheels, the Certification Label may have been printed with the incorrect Gross Axle Weight Rating (GAWR) values. This incorrect value may not comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 110.

Remedy:

Once corrected labels become available, dealers will be instructed to apply the corrected label over the existing certification label on affected vehicles in dealer inventory. Nissan will also mail the corrected labels directly to affected owners, along with instructions for label installation.

***** What Dealers Should Do*****

1. Verify if vehicles are affected by this Voluntary Safety Recall Campaign using Service Comm or DBS National Service History Campaign I.D. **R26B1**
2. Dealers should not sell, lease, trade, rent, or loan any vehicles in new dealer inventory subject to this recall campaign until after the vehicle has been remedied. See Policies and Procedures section for more information.
3. Once available, dealers should use the appropriate campaign bulletin to remedy any vehicles subject to this campaign.

**** Release Schedule ****

Parts & Repair	Once corrected labels become available, dealers should use the appropriate campaign bulletin to remedy any vehicles subject to this campaign in dealer inventory. Nissan will also mail the corrected labels directly to affected owners, along with instructions for label installation.
Owner Notification	Nissan will begin sending notifications to owners of all potentially affected vehicles in September 2026 via U.S. Mail.

**** Dealer Responsibility ****

It is the dealer's responsibility to check Service Comm or DBS National Service History using the appropriate Campaign I.D. for the campaign status on each vehicle falling within the range of this voluntary recall campaign which enters the service department for any reason. This includes vehicles purchased from private parties or presented by transient (tourist) owners as well as vehicles in dealer inventory. If a VIN subject to this recall campaign was part of a dealer trade, the letter associated with that VIN should be forwarded to the appropriate dealer for service completion.

NISSAN NORTH AMERICA, INC.

Total Customer Satisfaction

Policies and Procedures:

New Vehicles in Dealer Inventory

New vehicles in dealer inventory subject to a Safety Recall must be remedied before sale, lease or delivery, including dealer-to-dealer trades or sales.

IMPORTANT

Under Title 49, Section 30112 of the United States Code, a dealer cannot sell, offer for sale, or introduce or deliver for introduction in interstate commerce a new motor vehicle when notice has been given that the vehicle is subject to a safety recall until the remedy is completed.

Nissan Certified Pre-owned

The Nissan CPO policy prohibits the certification of any vehicle with an outstanding Recall or Service Campaign. Thus, no affected units are to be designated, sold, or delivered as a Nissan CPO until all applicable Recalls and Service Campaigns have been completed on that vehicle.

Pre-owned Vehicles in Dealer Inventory

Pre-owned vehicles in dealer inventory subject to a Safety Recall should be remedied before sale, lease, rental, loan, or delivery.

IMPORTANT

Under Title 49, Section 30120 of the United States Code, a "rental company" cannot sell, rent, or lease covered rental vehicles subject to a safety or compliance recall until the remedy is completed. Please consult your legal counsel for legal advice.

State laws may restrict the sale of used vehicles with open safety recalls. Please consult your legal counsel for legal advice.

Frequently Asked Questions (FAQ):

Q. Is this a safety recall?

A. Yes.

Q. Is this a Stop Sale?

A. Yes.

Q. What is the reason for the recall?

A. On certain affected Armada vehicles with 22-inch wheels, the Certification Label may have been printed with the incorrect Gross Axle Weight Rating (GAWR) values.

Q. What is the possible effect of the condition?

A. The Gross Axle Weight Rating (GAWR) listed on the certification label may be incorrect and may not comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 110.

Q. What will be the corrective action for this voluntary recall campaign?

A. Once corrected labels become available, dealers will be instructed to apply the corrected label over the existing certification label on affected vehicles in dealer inventory. Nissan will also mail the corrected labels directly to affected owners, along with instructions for label installation.

Q. How long will the corrective action take?

A. Nissan will mail the corrected labels directly to affected owners, along with instructions for label installation. Once available, dealers should follow the applicable campaign bulletin to remedy any affected vehicles in dealer inventory.

Q. When will vehicle owners be notified?

A. Nissan will begin sending notifications to owners of all potentially affected vehicles in September 2026 via U.S. Mail.

Q. Is my vehicle safe to drive?

A. Owners of potentially affected vehicles will receive corrected certification labels starting in September 2026, along with instructions on how to install the corrected label.

Q. Is there anything owners can do to mitigate this condition?

A. No.

Q. Are parts readily available?

A. No.

Q. Will a rental vehicle be provided while the dealer is servicing the vehicle?

A. No.

Q. Is there any charge for the repair?

A. No, owners of potentially affected vehicles will receive corrected certification labels starting in September 2026, along with instructions on how to install the corrected label.

Q. Will I have to take my vehicle back to the selling dealer to have the service performed?

A. No, owners of potentially affected vehicles will receive corrected certification labels starting in September 2026, along with instructions on how to install the corrected label.

Q. I have lost confidence in the vehicle. Will Nissan replace or repurchase the vehicle?

A. Once the remedy is completed, the condition will be corrected. As the condition will be corrected, there is no basis for repurchasing or replacing your vehicle.

Q. What model year vehicles are involved?

A. Certain model year 2020-2024 Nissan Armada vehicles manufactured from February 22, 2019, through September 5, 2024, and certain model year 2025-2026 Nissan Armada vehicles manufactured from March 11, 2024, through March 23, 2026.

Q. Are you experiencing this condition on any other Nissan (or INFINITI) models?

A. Yes. Certain model year 2011-2024 INFINITI QX80 vehicles manufactured from November 3, 2009, through March 11, 2024, and certain model year 2025-2027 INFINITI QX80 vehicles manufactured from October 23, 2023, through March 26, 2026.
