IMPORTANT SAFETY RECALL

NHTSA Recall No. 26V469

To: All Ember Recreational Vehicle Dealers ***August 3, 2026***

Ember Recreational Vehicles, Inc., ("Ember") has decided that certain 2027 Overland Series, Touring Edition, E-Series recreational vehicles fail to conform to Federal Motor Vehicle Safety Standard No.567, "Certification".

The affected units were manufactured between December 19, 2025 and June 01, 2026. The VINs of units affected are:

Ember Overland Series 7RVTV2262VA003957 to 7RVTV1220VA004211 (non-sequential)
Ember E-Series 7RVTE122XVA003826 to 7RVTE2273VA004253 (non-sequential)
Ember Touring Edition 7RVTT2237VA003920 to 7RVTT2293VA003935

Our records indicate the following affected units are in your possession:

On select Ember trailers, the certification label has an incorrect Vehicle Identification Number (VIN) listed, which can prevent the owner from accurately identifying whether the vehicle is included in a safety recall or a potential future safety recall, which could increase the risk of a crash or injury.

Owners of the affected vehicles will be notified of this recall by mail from Ember. A copy of the Owner Notification Letter is attached. Also attached are the repair instructions associated with this recall action.

Please be reminded that it is a violation of Federal Law for you to sell or lease the products covered by this notification until the necessary repairs have been performed. Substantial civil penalties apply to violations of this law. Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact Ember at 844-732-4204 or by email at warranty@emberrv.com.

Sincerely,

Ember Recreational Vehicles
