Subject	UPDATE: CL/CMX #1 Loose Handlebar Lock Screw Safety Recall - VIN Expansion						

Dear Honda Powersports Dealers,

The full service bulletin, which has been revised to include additional affected model years of CMX and SCL motorcycles and parts information, for the Safety Recall relating to 2017 ~ 2026 CMX300 • CMX500 • SCL500 LOOSE HANDLEBAR LOCK SCREW (CMX300/CMX500/SCL500 #1) is now available.

To view the updated bulletin, click [HERE](#) or go to:

iN > SERVICE > Service Publications > Service Bulletins

Repair parts for 2026 CMX300 motorcycles are currently unavailable and are expected in November 2026. Dealers will be notified by iN message once these parts become available.

Sincerely,

Honda Power Sports & Products

American Honda Motor Co., Inc.
