

Safety Recall: 26V-554
September 14, 2026

IMPORTANT SAFETY RECALL

Name
Address
City, State, Zip

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco Inc. has decided certain model year 2026 – 2027 Jayco Seneca, Seneca Prestige & certain model year 2026 – 2027 Accolade, Accolade XL vehicles fail to conform to federal Motor Vehicle Safety Standard No 120 Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR of more than 4,536 kilograms (10,000 pounds)”.

Reason for Recall

The certification label may have incorrect tire size information, causing the operator to install incorrect tires. Labels show incorrect tire size of 275/80R/22.5 instead of 295/75R/22.5H. Incorrect tire information could result in the wrong tires being installed on the vehicle, increasing the risk of a crash.

Recall Remedy

Remove the incorrect certification label and attach the new correct certification label. The remedy will take approximately 15 minutes to complete. The recall remedy is free of charge.

What we need you to do
