Ford Motor Company
PO Box 1904
Dearborn, Michigan 48121

September 10, 2026

TO: All U.S. Ford and Lincoln Dealers

SUBJECT: NEW VEHICLE DEMONSTRATION / DELIVERY HOLD - Advance Notice
Safety Recall 26S67
Certain 2026-2027 Model Year Transit Cab-Style Bus Vehicles
Wireless Seatbelt Buckle Sensor Functionality

AFFECTED VEHICLES (U.S. Population Of Affected Vehicles 1,939):

Vehicle	Model Year	Assembly Plant	Build Date Range
Transit	2026-2027	Kansas City	February 16, 2026 through July 19, 2026

Affected vehicles are identified in OASIS and FSA VIN Lists.

REASON FOR THIS SAFETY RECALL

In some affected vehicles, the wireless seatbelt reminder system could fail to update the rear seatbelt buckle status shown on the Instrument Panel Cluster (IPC). As a result, an unbuckled rear seat may still display as "buckled". This could mislead the driver into thinking that rear passengers are properly restrained when they aren't, increasing the risk of injury to those occupants in a crash.

SERVICE ACTION

DO NOT DEMONSTRATE OR DELIVER any new in-stock vehicles involved in this safety recall. For new vehicle storage guidelines, refer to EFC13033, Storage Guidelines for New Vehicles.

A complete dealer bulletin, including technical instructions, is expected to be available to dealers by 11/6/2026, when a remedy is planned to be available for this safety recall.

IMPORTANT: Dealers should open a Repair Order (RO) only when a full dealer bulletin is published. Opening an RO against an Awareness or Advance Notice will result in warranty rejections against a recall.

OWNER NOTIFICATION

Owners of record will be notified via first-class mail within sixty days, which may occur before remedy availability including repair instructions have been provided to dealers.

PLEASE NOTE:

Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to \$27,168 per vehicle. Correct all vehicles in your new vehicle inventory prior to delivery.

DEALER-OPERATED RENTAL VEHICLES

The Fixing America's Surface Transportation (FAST) Act law effective June 2016 prohibits a rental company from selling, renting or leasing vehicles subject to a safety recall. Please consult your legal counsel for legal advice.

QUESTIONS & ASSISTANCE

For questions and assistance, contact the Special Service Support Center (SSSC) via the SSSC Web Contact Site. The SSSC Web Contact Site can be accessed through the Professional Technician System (PTS) website using the SSSC link listed at the bottom of the OASIS VIN report screen or listed under the SSSC tab.
