RE: **BODY SERIAL «BODY_SERIAL»**
CHASSIS SERIAL «CHASSIS_SERIAL»

Dear Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Winnebago Motorhomes has decided that a defect related to motor vehicle safety exists on certain 2020 – 2023 Winnebago View & 2020 – 2023 Winnebago Navion.

These motor homes were manufactured **April 15, 2019**, through **May 31, 2022**. These manufacturing dates are a broad overview and not model specific. Our records indicate that you have purchased a vehicle with the serial number which appears above.

On certain Winnebago vehicles, the aerofence trim on the rear roof cap may loosen or detach while in transit. If the aerofence trim detaches, it may create a road hazard and increase the risk of a crash or injury.

What We Will Do

Winnebago Motorhomes will coordinate the inspection of any missing fasteners or Aerofence trim pieces and will replace them as needed. In addition, rivets will be installed on the brackets that secure the Aerofence trim piece. **This will be at no charge to you.**

What You Should Do

Please contact your Winnebago motorhome dealer or locate a Winnebago dealer at <https://www.winnebago.com/shopping-tools/locate-a-dealer>, at customercare@wgo.net, or by telephone at (641) 585-6939 or (800) 537-1885, immediately to arrange for an appointment.
