Motor Vehicle Recall Notification – NHSTA Recall Campaign No.26V107 Newmar Campaign No. 626 RSB

Dear Valued Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL

Newmar Corporation has decided that a defect, which relates to motor vehicle safety, exists on certain 2026 Freedom Aire Motorhomes. The Hydronic heating system wiring may be incorrectly connected to constant 12V power, which can cause the Hydronic heating system to unintentionally activate.

These motorhomes require immediate service. Continued use poses a potential safety hazard.

The Safety Risk

Unintended activation of the Hydronic heating system can produce harmful gas, increasing the risk of injury.

WHAT WE WILL DO

Newmar will direct any customers in the population of this recall to contact the Newmar service department who will direct you to a Newmar dealer. Newmar dealers will repair the wiring and disconnect the Hydronic heating system from the constant 12V power per the remedy instructions provided by Newmar, free of charge. This repair is expected to take approximately .5 hours. However, due to some service scheduling times, the service center may need your vehicle for a longer period of time.

WHAT YOU NEED TO DO

As this defect does affect motor vehicle safety, it is recommended that you call Newmar service department immediately at **1-800-731-8300**. An associate will assist you in making an appointment to have this repair completed.

The customer should park the motorhome outside until the recall remedy is performed.

Federal regulations require that any vehicle lessor receiving this recall notification must forward a copy of this notice to the lessee within ten days.

If you have had the repair performed before receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy. For additional information, contact Newmar Corporation at:
