

IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE

2026 Pebble Flow Travel Trailer VIN: XXXXXXXXXXXXXXXXXXXX

March 19, 2026

<Name>

<Address 1>

<Address 2>

<City, State, Zip Code>

NHTSA Recall No.: 26V133

Dear Pebble Flow Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Pebble Mobility Inc. ("Pebble") has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2026 Pebble Flow travel trailers.

REASON FOR THIS RECALL Certain Model Year 2026 Pebble Flow travel trailers may have insufficient adhesion between one or more rooftop solar panels and the vehicle roof. If adhesion fails, a solar panel may delaminate and separate from the roof while the vehicle is in transit, potentially creating a road hazard and increasing the risk of injury or collision for any following motorists or other road users.

WHAT PEBBLE WILL DO At no charge to you, Pebble will dispatch a service technician to your designated location to inspect your vehicle's solar panels and perform the necessary rework to ensure the panels are securely bonded to the roof. Depending on the condition found, the remedy will consist of surface preparation and reapplication of sealant to restore proper adhesion. In cases where a panel has experienced significant peeling or detachment, the solar panel will be replaced in its entirety.

WHAT YOU SHOULD DO If a Pebble service technician has already visited you and performed the recall remedy on your vehicle prior to receiving this letter, no further action is required on your part. Otherwise, Pebble will contact you to schedule your recall service at a time and location convenient for you to ensure your vehicle is remedied as promptly as possible. In the meantime, before each trip, please visually inspect the rooftop solar panels for any signs of lifting or separation, especially on the leading edge of the panels, and take note of any unusual noises while driving. If you observe any of these conditions, please refrain from using your vehicle until the recall remedy has been performed. If you have any concerns or questions, please contact Pebble immediately at 866-732-2518 or at support@pebblelife.com.

If you have changed address or sold your vehicle, please let us know by contacting Pebble Customer Service by email at support@pebblelife.com, by phone at 866-732-2518, or write to Pebble Customer Service, 2800 Bayview Dr., Fremont, CA 94538.

If you are the lessor of this vehicle, Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you believe that Pebble has failed or is unable to remedy this defect without charge or within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590, by calling 1-888-327-4236 (TTY: 1-888-275-9171), or by visiting www.safercar.gov.

We sincerely apologize for any inconvenience this recall may cause. The safety of our customers is our highest priority, and we are committed to resolving this matter as quickly as possible.

Sincerely,

Pebble Mobility Inc.
