IMPORTANT SAFETY RECALL

Liftgate Hinge Cover

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that a defect, which relates to motor vehicle safety, exists in certain [2024-2026 model year (KM) Jeep Wagoneer S] vehicles.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

The rear liftgate hinge cover on your vehicle [1] may have insufficient design tolerances to be properly clipped into position and may detach from the vehicle. Vehicle occupants may hear a rattling noise while driving or notice that either one or both liftgate hinge covers are not fully seated. **A rear liftgate hinge cover which detaches from a vehicle may create a road hazard to operators and occupants of other vehicles and can cause such vehicles to crash without prior warning.**

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle [2] free of charge (parts and labor). To do this, your dealer will inspect and, if necessary, repair or replace the hinge cover. The estimated repair time is between 15 to 45 minutes**.** In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.
