NOTIFICACIÓN PROVISIONAL

This notice applies to your vehicle, [VIN]. [Date – August 25, 2026]

Dear Nissan LEAF Owner:

This final notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2026 Nissan LEAF vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN above and on the inside of this notice.

Reason for Recall
Motivo del Retiro

Your vehicle's lithium-ion battery may contain a manufacturing defect within the battery cells which could result in an internal short circuit. In the event of an internal short circuit, the battery may overheat, which could result in a battery fire, increasing the risk of injury and property damage.

What Nissan Will Do
Qué Hará Nissan

Parts are now available to repair your vehicle. Your Nissan dealer will remove the HV battery pack, inspect the battery modules, and replace any of the affected module(s) with new parts. Your battery pack will be reinstalled, and the dealer will perform system verifications to ensure proper operation. This repair, which is conducted at no charge to you for parts and labor, could take up to fourteen and a half (14.5) hours to complete. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do
Qué Debes Hacer

Please contact your Nissan dealer at your earliest convenience to schedule your appointment to complete your free repair as soon as possible.

Until your vehicle is remedied, the following immediate action is required:

1. **Do NOT charge your LEAF vehicle.**

2. **Park your vehicle outdoors, away from other vehicles and building structures.**
3. **Take your vehicle to your nearest authorized Nissan dealership. Your Nissan dealer will provide a rental vehicle while remedy parts are on order. If you need assistance getting your vehicle to the dealership, call Customer Affairs at 1-800-867-7669 so that we can assist in making arrangements.**

Hasta que su vehículo sea reparado, es necesario tomar las siguientes medidas inmediatas:

1. **NO cargue su vehículo LEAF.**
2. **Estacione su vehículo al aire libre, alejado de otros vehículos y de estructuras o edificaciones.**
3. **Lleve su vehículo al concesionario Nissan autorizado más cercano. Su concesionario Nissan le proporcionará un vehículo de alquiler mientras los repuestos necesarios están en camino. Si necesita ayuda para trasladar su vehículo al concesionario, comuníquese con Atención al Cliente al 1-800-867-7669 para que podamos ayudarle con los arreglos.**
