QR Code

Get access to recall notifications, locate your nearest dealer, and more through this website or Mopar Owner's Companion App. You will be asked to provide your Vehicle Identification Number (VIN) to protect and verify your identity. The last eight characters of your VIN are provided above.

DEALERSHIP INSTRUCTIONS

Please reference Safety Recall 06D.

IMPORTANT SAFETY RECALL

Side Curtain Airbags

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2022-2026 model year (RU) Chrysler Pacifica and Chrysler Voyager] vehicles fail to comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 226 – Ejection Mitigation.

Vehicles with an incomplete status under recalls 06C, 54C, or 55C (NHTSA 25V8302) and 82C, 86C, or 87C (NHTSA 25V573) will receive the repair from 06D (NHTSA 26V189) which replaces both left and right Curtain Airbags (CABs).

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

The CABs on your vehicle ^[1] may not retain sufficient pressure during deployment. **CABs which do not have proper pressure retention may reduce occupant protection and increase the risk of partial and complete ejection and injury of an occupant through a side window during certain types of crashes.**

The condition above fails to conform to the requirements of Federal Motor Vehicle Safety Standard (FMVSS) 571.226 S4.2.1 requires that "When propel[led] ... into the impact target locations ... the most outboard surface of the ... headform must not displace more than 100 millimeters beyond the zero displacement plane." Suspect CABs may not retain sufficient pressure to prevent headform displacement of more than 100 mm.

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will replace both CABs. The estimated repair time is two hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
