IMPORTANT SAFETY RECALL

This notice applies to your vehicle: XXXXXXXXXXXXXXXXX

May 2026

Dear FIRSTNAME LASTNAME,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Honda has decided that a defect which relates to motor vehicle safety exists in certain 2025 model year CB1000 motorcycles.

Why my vehicle is under recall:

Improper placement of the angle sensor coupler during assembly may interfere with the locking mechanism of the fuel feed hose quick connector from the fuel tank, causing it to release and allow the hose to disconnect. If the fuel feed hose disconnects, fuel may leak onto the ground and into the path of the rear tire, increasing the risk of a crash, injury, or fire.

Emission Consequence
Your vehicle may be releasing air pollutants which exceed California and federal standards.

What Honda will do:

Your Honda Powersports dealer will properly secure the angle sensor coupler wiring harness and replace the fuel hose for ***FREE***. Honda estimates that the repair can take approximately one hour to complete. However, your dealer can provide you with a better estimate of the overall time for this service visit, as it may be necessary to make your motorcycle available for a longer period of time.

What we need you to do:

Please call any authorized Honda Powersports dealer and schedule an appointment to have your motorcycle repaired, for ***FREE***.
If you are not the only rider of this motorcycle, please advise all other riders and passengers of this important information.

California Owners Only
The DMV will not renew your vehicle's registration until this recall has been completed. After completing the repair procedure, your dealer will give you a Vehicle Emission Recall - Proof of Correction certificate. Please make sure the dealer provides you with a completed certificate. Keep the certificate for your records as proof that the recall was completed. Submit the certificate to the DMV only if the DMV requests it.

Emission Warranty
In order to ensure your full protection under the emission warranty provisions, it is recommended that you have your vehicle repaired as soon as possible. Failure to do so could be determined as lack of proper maintenance.

- Check recall information for your motorcycle by accessing the Honda recall lookup tool at https://powersports.honda.com/recalls and entering your Vehicle Identification Number (VIN).
- If you have questions or concerns, we encourage you to:
  - visit https://powersports.honda.com/recalls; or
  - contact your local Honda Powersports dealer; or
  - send Customer Relations a message via https://powersports.honda.com/contact-us; or
  - call American Honda's Powersports Customer Relations at 1-866-784-1870 Monday through Friday, 8:30 a.m. to 4:30 p.m., Pacific Time.

If you paid out of pocket to have these specific recall repairs performed on your vehicle, you may be eligible for reimbursement; please contact American Honda's Powersports Customer Relations at 1-866-784-1870 to determine potential eligibility and for instructions on how to request reimbursement.

If you no longer own this vehicle or if any of the information is not correct, please complete and return the enclosed prepaid Information Change Card as soon as possible. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you believe that American Honda or the dealer has failed or is unable to remedy the defect in your vehicle, without charge and within a reasonable period of time (60 days from the date you first contact the dealer for a repair appointment), you may submit a complaint to the Administrator, National Highway Traffic Safety Administration (NHTSA), 1200 New Jersey Ave., SE, Washington, DC 20590. Alternatively, you may call the NHTSA toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153) or go to http://www.safercar.gov.

We sincerely apologize for any inconvenience this recall may cause, but please be assured that your safety is our first concern.

Sincerely,

American Honda Motor Co., Inc.
