This notice applies to your [Model Year] Genesis [Model] vehicle, VIN: XXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Genesis has decided that a defect, which relates to motor vehicle safety, exists in **certain 2021 – 2025 model year Genesis GV80, 2023 – 2025 model year Genesis G90, 2021 – 2025 model year Genesis G80, and 2022 – 2026 model year Genesis GV70 vehicles**. Genesis is initiating Safety Recall 033G to address a condition involving the High Pressure Fuel Crossover Pipe. Our records indicate that your vehicle, with the VIN listed above, is affected by this recall.

### What is the problem?

The crossover fuel pipe connecting the left and right fuel rails on the engines may have been installed with retention fasteners that may loosen. A fuel pipe with loose connections could result in a fuel leak, increasing the risk of an engine compartment fire. Occupants may detect a fuel smell or odor.

### What will Genesis do?

Your Genesis retailer will inspect and tighten the crossover fuel pipe or replace the pipe assembly, if necessary. This procedure will be performed at **NO CHARGE** to you.

### What should you do?

**Please contact your nearest Genesis retailer to schedule the recall repair as soon as possible.**

The actual time required to perform the recall remedy on your vehicle will take less than 30 minutes, however, your vehicle may be needed longer. To schedule an appointment with your preferred Genesis retailer, please call **1-844-340-9741** or visit:

1. Visit [www.genesis.com/recall](http://www.genesis.com/recall)
2. Enter your 17-digit VIN from the top of this letter and click the “Search” button.
3. Click “Schedule Appointment,” enter your zip code in the Retailer Locator tool, click the “Find a Retailer” button, and follow the onscreen prompts to schedule your service appointment.

We recommend scheduling a service appointment to minimize inconvenience. Service Valet may be arranged in advance for eligible owners whose vehicles are within 3 years or 36,000 miles from the date of original retail delivery or date of first use, whichever comes first.
