IMPORTANT SAFETY RECALL

Certain 2026 Model Year NISSAN FRONTIER PRO 4X-R "By Roush" Vehicles
Roush ID: C-26001, NHTSA Recall ID: 26V242

Dear <FirstName/LastName>;

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Roush has decided that a defect, which relates to motor vehicle safety, exists in certain 2026 model year Nissan PRO-4X R "By Roush" vehicles. Our records indicate that your vehicle was included in the affected population. **Our records also indicate that the remedy on your vehicle has already been performed by an authorized dealership and no further action is necessary.** This is a courtesy communication to make you aware of the issue that has occurred.

What was the issue?
The upper control arm ball joints and tie rod ends on some 2026 Nissan Frontier PRO-4X R "By Roush" vehicles may have been improperly torqued during installation. This condition could lead to the ball joints and/or tie rods becoming detached from the front steering knuckle. This could result in a partial loss of steering, which could increase the likelihood of a crash.

What work did your Nissan dealership perform?
The authorized Nissan dealership inspected your vehicle upper control arm ball joints and tie rod end link fasteners and re-torqued to the proper specification, including the installation of new cotter keys, at no cost to you.

What you should do?
No further action is necessary. Our records indicate that the remedy has been performed by an authorized dealership and is now complete. This is a courtesy communication to make you aware of the issue that has occurred.

If you believe that you received this letter in error or if you disagree that the remedy has been performed to your satisfaction, please contact us at **1-800 59-ROUSH** or **rppwarranty@roush.com**. We are always happy to hear from you.

You may also contact the Administrator, National Highway Traffic Safety Administration (NHTSA), 1200 New Jersey Ave., SE, Washington, DC 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153) or go to http://www.safercar.gov if you believe the Nissan dealership has failed or is unable to remedy your vehicle without charge within a reasonable amount of time.

What if you are not the owner or operator of this vehicle?
If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you know the current owner or operator, please forward this letter to them

We apologize for any inconvenience this may have caused and hope that you continue to enjoy your new Nissan Frontier PRO-4X R vehicle.
Sincerely,

Roush Performance
