Certain Toyota 2026 4Runner

IMPORTANT SAFETY (NONCOMPLIANCE) RECALL

This notice applies to your vehicle: «VIN_____»

Incorrect Load Carrying Capacity on Label / FMVSS 110
NHTSA Recall No. 26V-282

«ID»
«Name»
«Address»
«City», «St» «Zip»

Dear Toyota Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Gulf States Toyota, Inc. ("GST") has decided that certain Toyota 2026 4Runner vehicles fail to conform to Federal Motor Vehicle Safety Standard ("FMVSS") No. 110, "Tire Selection and Rims for Passenger Cars."

You received this notice because our records indicate that you are the current owner.

What is the Condition?
GST is recalling certain model year 2026 Toyota 4Runner vehicles equipped with the All Terrain Tire Upgrade as part of the Blackout Off-Road Upgrade Package installed by GST. The affected vehicles display a Load Carrying Capacity Modification label that may not conform with the requirements of FMVSS No. 110 S10.2. The labels on the affected vehicles indicate added weight that may be higher than the actual total weight of accessories installed on the vehicle. FMVSS No. 110 S10.2 requires that the weight amount the load carrying capacity is reduced must be accurate within one percent of the actual added weight. An incorrect load carrying capacity label may lead to improper loading of the vehicle, increasing the risk of a crash.

What will Gulf States Toyota, Inc. do?
For all affected vehicles, GST is providing a new load carrying capacity modification label to owners **FREE OF CHARGE**.

What Should You Do?

Please apply the provided label using instructions below or contact any authorized Toyota dealer to schedule an appointment to have the remedy performed.

Your local Toyota dealer will be more than happy to answer any of your questions.

- ✓ To find a dealer near you, visit www.toyota.com/dealers.
- ✓ For more information on this and other Safety Recalls, including Frequently Asked Questions, visit www.toyota.com/recall. Input your full 17-digit Vehicle Identification Number (VIN) noted above to review information specific to your vehicle.
- ✓ If you require further assistance, you may contact the GST Customer Assistance Center at 1-800-444-1074 Monday through Thursday, 8:30 am to 5:00 pm and Friday, 8:30 am to 4:00 pm Central Time.

What should you do?

This is an important Noncompliance Recall.

Please apply the provided label using the instructions below:

1. **Locate the load carrying capacity modification label on the driver side door jamb.**

2. **Confirm that the weight values of the load carrying capacity modification label on the driver side door jamb are <u>printed</u> as shown above.**
3. **If your vehicle has a load carrying capacity modification label with <u>printed</u> weight values as shown above, apply the new label directly over the old label. Note: The weight values of the new label will vary from the weight values of the original label.**
4. **If your vehicle has any other load carrying capacity modification label, or has <u>handwritten</u> weight values on the label, please contact any authorized Toyota dealer to schedule an appointment to have the remedy performed.**
5. **If you applied the new load carrying capacity modification label to your vehicle, the remedy is complete. Your local Toyota dealer can confirm whether the label was applied correctly if you desire. If you feel uncomfortable applying this label, your local Toyota dealer is available to assist. Please ensure that you bring this letter and new label with you to the dealer.**

What if you have other questions?

- ✓ **Your local Toyota dealer will be more than happy to answer any of your questions.**
- ✓ If you require further assistance, you may contact the GST Customer Assistance Center at 1-800-444-1074.

For vehicle lessors: Federal Law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you believe the dealer or GST has failed or is unable to remedy the defect within a reasonable amount of time or without charge, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153), or go to http://www.nhtsa.gov.

We sincerely regret any inconvenience this noncompliance recall may have caused you.

Thank you for driving a Toyota.

Sincerely,

GULF STATES TOYOTA, INC.
