IMPORTANT SAFETY RECALL – 26V-292

This notice applies to the vehicle identification number in the label below.

4VZVU1R10SC 

Dear Valued Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

The Shyft Group, Inc. has decided that certain 2024 through 2027 model year, K1, K2, K3 and K4 model Spartan RV Chassis brand motor home chassis fail to conform to Federal Motor Vehicle Safety Standard No. 108 – “Lamps, Reflective Devices, and Associated Equipment.”

What is the Defect?

The brake pressure switch used in the air brake system may retain enough residual air pressure causing the brake lamps to be illuminated when the service brakes is not applied.

What is the Safety Risk?

Brake lamps that are illuminated without the service brake being applied could be confusing to trailing drivers and could increase the risk of a crash.

What is the Warning?

Brake lights could be illuminated without warning.

What is the Remedy?

Shyft will supply new pressure switches with a pressure setting that will cause the brake lamps to not be illuminated with residual air pressure. The repair is expected to up to 1 hour and will be performed at no charge.

What You Should Do:
