NHTSA Recall No: 26V-315

Dear Tesla Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Tesla, Inc. has decided that a defect, which relates to motor vehicle safety, exists in model year 2025 and 2026 Model Y vehicles manufactured between November 17, 2024, and April 21, 2026, that may not have been equipped with a certification label as required by 49 CFR Part 567. Our records show that you are the owner of a vehicle affected by this action.

**REASON FOR THIS RECALL**

The absence of a certification label with weight specifications may lead to customers overloading the vehicle, increasing the risk of a crash.

**WHAT TESLA WILL DO**

At no charge to customers, Tesla will inspect affected vehicles and affix a certification label, if necessary. Installation of the certification label will take less than 10 minutes.

**WHAT YOU SHOULD DO**

Please schedule a service appointment through your Tesla mobile app. Alternatively, if you wish to contact your nearest Tesla Service Center or require technical assistance, please visit [www.tesla.com/findus](http://www.tesla.com/findus) or call 1-877-79-TESLA (1-877-798-3752). For awareness, the repair will take less than ten minutes to complete.

If Tesla fails or is unable to remedy this defect without charge, or within a reasonable amount of time, you may submit a written complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey AVE SE, Washington, DC 20590. You may also call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

If you have already had this repair completed on your vehicle, no further action is required. To confirm whether the repair was completed on your vehicle, use our online VIN look-up tool at <https://www.Tesla.com/Vin-Recall-Search>.

Federal law requires any lessor who receives a notification of a determination of a noncompliance pertaining to any leased motor vehicle to send the notice to the lessee within 10 days.

If you no longer own the vehicle, update vehicle ownership in your Tesla Account. For more details on adding or removing vehicles from your Tesla Account, visit [www.tesla.com/support/account-support#add-remove-products](http://www.tesla.com/support/account-support#add-remove-products).

Thank you for being a Tesla customer. We are committed to ensuring that your vehicle provides the highest possible level of safety.
