IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN:

NHTSA Recall # 26V-338
Tiffin Recall # TIF-148

June 23, 2026

Possible Fuel Tank Puncture

Dear Tiffin Motorhome Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that a defect which relates to motor vehicle safety exists in **2025 and 2026 GT1 Motorhomes, 2026 GH1 Motorhomes, and 2026 GH2 Motorhomes built between June 24, 2024, and April 08, 2026.**

These motorhomes may have a fuel tank which has been punctured by a screw used to fasten components that are found inside the motorhome above the fuel tank. A fuel tank that has a puncture may have an over spill of fuel, which could result in a fire.

Owners may be alerted that the fuel tank has a puncture by the presence of fuel under the motorhome after filling the fuel tank to full or may notice the odor of fuel when they are not filling the fuel tank.

Tiffin Motorhomes will have the fuel tank inspected and if any punctures are found, replaced the punctured fuel tank with a new fuel tank.

Tiffin Motorhomes recommends that until the fuel tank has been inspected, the motorhome should be parked outside.

Please arrange to take your motorhome to a ***reputable service center OR dealer of your choice*** to have the inspection and correction completed. A list of Tiffin Motorhomes authorized dealers is available online at https://tiffinmotorhomes.com/service-center-locations. The inspection of the fuel tank may take up to 30 minutes to complete. If a punctured fuel tank is found, please allow added time, up to 3 hours, to have tank replaced. This work will be completed at no charge to you, the owner.

If you are using a service center that is not a Tiffin Motorhomes authorized repair facility, please make sure that they contact Tiffin Motorhomes for the required parts, instructions and time allowed for the repair. Tiffin Motorhomes will not pay over the allowed time unless the repair facility receives prior authorization. For authorization, contact Tiffin Motorhomes at 256-356-0261 or service@tiffinmotorhomes.com.

You may be liable for any progressive damage that results from your failure to complete the recall within a reasonable time after receiving notification.

If owners have paid to have this repair completed, please send a copy of the invoice, that was paid by the owner to Tiffin Motorhomes at the following address: Tiffin Motorhomes, Attn: Recalls, 105 2nd Street NW, Red Bay AL 35582 or by email to service@tiffinmotorhomes.com.
