Incorrect Occupant and Cargo Carrying Capacity Label Color

Dear Tiffin Motorhome Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that certain **2026 & 2027 Open Trail, 2026 & 2027 Wayfarer, and 2026 Midas Motorhomes, that were built between October 3, 2025, and May 12, 2026**, fail to conform to Federal Motor Vehicle Safety Standard No. 120, Wheels and Rims - Other than Passenger Cars, Equipment: Labels.

Certain motorhomes do not have the correct label color for the Occupant and Cargo Carrying Capacity (OCCC) label. Incorrect colors for the labels in the motorhome may lead to difficulties in locating the correct information for loading and tire pressure which could increase the risk of a crash.

Tiffin Motorhomes will replace the incorrectly colored label with a label that is the correct color of yellow. To correct this issue, we are sending owners a corrected Occupant and Cargo Carrying Capacity Label to be placed in your motorhome (enclosed).

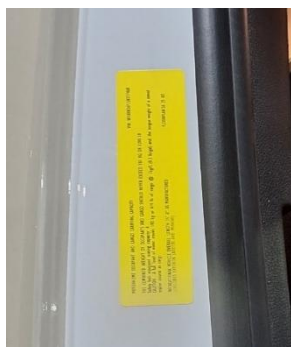

Figure 1

1. The incorrect white OCCC Label can be found on the driver's side door panel. The label should be left in the current position.
2. Wipe a clear area of the passenger side door jamb with isopropyl alcohol.
3. Carefully install the new label on the cleaned area of the passenger side door jamb. DO NOT cover up the existing yellow label already installed in the passenger side door jamb as it contains different important information.

Owners may choose to take the motor home to a service center or dealer of your choice to have the enclosed label installed. Please allow 10 minutes to have the label installed. This work will be completed at no charge to you, the owner.

If you are using a service center that is not a Tiffin Motorhomes authorized repair facility, please make sure that they contact Tiffin Motorhomes for the required parts, instructions and time allowed for the repair. Tiffin Motorhomes will not pay over the allowed time unless the repair facility receives prior authorization. For authorization, contact Tiffin Motorhomes at 256-356-0261 or service@tiffinmotorhomes.com.

You may be liable for any progressive damage that results from your failure to complete the recall within a reasonable time after receiving notification.

If owners have paid to have this repair completed, please send a copy of the invoice, that was paid by the owner to Tiffin Motorhomes at the following address: Tiffin Motorhomes, Attn: Recalls, 105 2nd Street NW, Red Bay AL 35582 or by email to service@tiffinmotorhomes.com.
