**Subaru Safety Recall WRF-26**  
**NHTSA Recall ID 26V-346**  
**July 2026**

### Dear Subaru Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Subaru of America, Inc. (Subaru) has decided that a defect which relates to motor vehicle safety exists in certain 2026 model year Forester vehicles.

You received this notice because our records indicate that you currently own one of these vehicles.

### DESCRIPTION OF THE DEFECT AND SAFETY RISK

Your vehicle may be equipped with a power moonroof assembly where the glass panel may not have been properly secured to the sliding frame. Over time, this condition could cause the connection between the glass and the frame to loosen, and the glass panel could detach while the vehicle is in use. If the glass panel were to separate from the vehicle, it could increase the risk of a potential crash or injury for other road users.

### WHAT SUBARU WILL DO

Subaru will inspect the power moonroof glass panel for proper adhesion and, if necessary, replace the glass panel assembly, free of charge.

### WHAT YOU SHOULD DO

Please contact your Subaru retailer (dealer) immediately to schedule an appointment to have this safety recall completed at no cost to you.

### HOW LONG WILL THE REPAIR TAKE?

The inspection of your vehicle for the defective condition will take approximately 12 minutes. If the glass panel assembly needs to be replaced, the replacement process can take up to 30 minutes. However, it may be necessary to leave your vehicle for a longer period of time to allow your Subaru retailer flexibility in scheduling.

### OWNER INFORMATION

Government regulations require that recall notifications be sent to the last known owner of record. That information is based primarily on state registration and title data. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you have moved or sold your vehicle, please go to <https://www.subaru.com/support/customer-support.html> to send us your information.

### IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR

If you have already paid for repairs associated with this condition, you may be eligible for reimbursement. Reimbursement consideration will be based on the amount an authorized Subaru retailer in your area would charge for the same repair.

Please submit the original service repair order, which has the name of the repair facility, date of repair, mileage at the time of repair, complete 17-digit vehicle identification number (VIN), and your name, with correct mailing address and telephone number online at [https://subaruclaims.autosolutionteam.com/app/subaru/Registration?\\$activepanel=EventConsignee](https://subaruclaims.autosolutionteam.com/app/subaru/Registration?$activepanel=EventConsignee), or send to the address listed below:
