

IMPORTANT SAFETY RECALL

NHTSA RECALL NO. 26V387

2025 & 2026 W230 ABS, Replace Turn Signal Bulbs

Dear Kawasaki Motorcycle Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Kawasaki Motors Corp., U.S.A., has decided that a defect that relates to vehicle safety exists in certain 2025 and 2026 W230 ABS motorcycles.

What is the reason for this notice?

Due to improper process controls during the manufacturing of turn signal lamp bulbs, the filaments may be damaged prematurely and may cause the front and/or rear turn signal lamps to fail to illuminate. Turn signal(s) that do not illuminate to indicate the direction of travel may increase the risk of a crash. Our records indicate that you have purchased one of these units.

What Kawasaki and your dealer will do:

At no cost to you, Kawasaki has authorized your dealer to replace all four turn signal bulbs. The repair will take up to 15 minutes but may take longer due to scheduling at the dealership and the time needed to obtain required parts. This repair will be done free of charge.

What should you do to ensure your safety?

Please call your Kawasaki dealer to schedule an appointment to have your motorcycle repaired. Please have your Vehicle Identification Number (VIN) ready when calling. To locate the nearest authorized Kawasaki motorcycle dealer, please visit www.kawasaki.com and click on the "LOCATE DEALER" link.

If you need help:

If you have questions or concerns that your dealer is not able to resolve, please contact Kawasaki's Customer Care Department at (866) 802-9381 (toll-free) between 7:00 a.m. and 4:00 p.m. PT Monday through Friday. Please have your Vehicle Identification Number (VIN) ready when calling.

If your dealer fails or is unable to remedy this defect without charge within a reasonable amount of time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1(888) 327-4236 (TTY: 1-800-424-9153); or go to <http://www.nhtsa.gov>.
